

# Start planning for your new year

**It's time to start planning for the new year.** To ensure timely delivery of your prescriptions as we go into 2020, you may need to review your health plan information, schedule a doctor's appointment, check on prior authorizations or refill medications.

To make staying healthy as easy as possible, we've provided some handy planning tips. After all, we're here to make sure you don't miss a single dose in the new year.

## Top tips for hassle-free refills

### Your pharmacy

- Create** an [alliancerxwp.com](http://alliancerxwp.com) account to manage your prescriptions
- Check** on medication refills
- Submit** new insurance information (if needed)
- Update** financial assistance or copay information (if required)

### Your doctor

- Contact** your doctor about prescription refills
- Schedule** an appointment for new or existing medication (if required)
- Discuss** any medication concerns with your doctor
- Verify** AllianceRx Walgreens Prime is your pharmacy of record

### Your plan

- Ask** if prior authorizations are required or need updating
- Check** if your medication coverage has changed
- Verify** your copay costs
- Contact** your health plan provider with any questions
